MISSOURI HIGHWAYS AND TRANSPORTATION COMMISSION

MASTER EQUIPMENT RENTAL AGREEMENT

THIS AGREEMENT is entered into by and between _____
(hereinafter, "Lessor") and the Missouri Highways and Transportation Commission
(hereinafter, "Commission").

WITNESSETH:

WHEREAS, the Commission rents various tools or construction and heavy equipment from the Lessor from time to time, and

WHEREAS, Lessor and Commission intend to enter into equipment rental agreements pursuant to this Master Rental Agreement (the "Agreement"), the terms and conditions of which shall control any and all rentals exchanged between the Lessor and the Commission.

NOW THEREFORE, in consideration of the above premises and mutual promises contained herein, and for the good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Lessor and the Commission mutually agree as follows:

(1) PRE EMINENCE OF MASTER RENTAL AGREEMENT AND TERM. The terms and conditions of this Agreement shall control all equipment rental transactions between the parties and shall supersede any and all written terms and conditions contained in Lessor rental agreement forms, documents, receipts, or memoranda except for the identification of the equipment to be rented by the Commission, the rental rate of the equipment, and return date of equipment. All other conditions contained in any Lessor rental agreement forms, documents, receipts, or memoranda shall be of no effect and force whatsoever. The initial term of the Agreement shall be for a period of two (2) years, automatically renewable upon mutual consent of the parties for one (1) additional two-year period. Either party may terminate the Agreement at any time and for any reason whatsoever upon sixty (60) days written notice to the other.

(2) NATURE OF THIS AGREEMENT. This purpose of the Agreement is to create and coordinate rental transactions, which will allow the Commission to use the equipment provided by the Lessor as permitted by this Agreement. The Commission represents that the equipment leased pursuant to this Agreement is to be used solely and exclusively for

Commission related activities. The Lessor retains equipment ownership. The Commission acknowledges that the Commission may not transfer the equipment or any rights or obligations under this Agreement. The Commission shall not service or repair or alter the equipment without Lessor's prior written approval.

(3) EQUIPMENT: The Lessor will make available to Commission equipment referenced on the Lessor's equipment rental form, document or memorandum signed by an employee of Commission.

(4) TRAINING AND INSPECTION: The Lessor will provide a training session for Commission employees upon receipt of equipment. The training session may include inspection of the rented equipment for damage and how to report same, checking required fluid levels and general equipment operation.

(5) RETURN OF EQUIPMENT: The Commission will notify Lessor of intended equipment return upon acceptance of said equipment and as may be identified in the Lessor's rental form, document or memoranda. The Commission agrees that during the course of the rental, the equipment will be held in a safe and secure manner while it is in the Commission's care, custody or control.

(6) TITLE: The Lessor warrants that it is the lawful owner of the equipment and that the equipment is free from all encumbrances which would disturb the use of the equipment identified in the Rental Agreement Form.

(7) EQUIPMENT OPERATION. The following persons may operate the equipment: Commission and Missouri Department of Transportation employees, contractors, and agents, in the course of such employee's regular employment, and contractor employees during the course of performing work. Operators must be properly qualified to operate the equipment and have a valid operator's license with respect to the equipment where required by law.

(8) RENTAL CHARGES: The Commission will pay all rental, time, mileage, service, transportation, refueling service and other charges and sums in accordance with this Agreement. The basic daily or weekly rental rate will be identified on the equipment rental form, document, memoranda, or receipt and invoiced by the Lessor upon return of the equipment to the Lessor.

(9) RISK OF LOSS: The Commission shall be responsible for all loss of or damage to the equipment, unless such loss or damage results from latent defect(s) or fault or negligence on the part of Lessor, while on rental and in Commission's care, custody or control, including but not limited to, fire, flood, theft, comprehensive losses, collision and rollover. Such responsibility is limited to: (1) reasonable repair cost or (2) the fair market value of the equipment at the time it is lost or damaged, less its salvage value.

(10) INSURANCE: The Commission is self-insured against liability losses up to statutory insurance coverage caps, and will provide proof of self-insurance upon request by the Lessor.

(11) INDEMNIFICATION: The Lessor shall defend, indemnify and hold harmless the Commission, including its members and department employees, from any claim or liability whether based on a claim for damages to real or personal property or to a person for any matter relating to or arising out of the Lessor's performance of its obligations under this Agreement.

(12) LAW OF MISSOURI TO GOVERN: This Agreement shall be construed according to the laws of the State of Missouri. The Lessor shall comply with all local, state and federal laws and regulations relating to the performance of this Agreement.

(13) CONDITION OF THE EQUIPMENT. The Lessor warrants the equipment, upon delivery to Commission, to be in good mechanical and merchantable condition. The Commission's acceptance or use of Equipment constitutes Commission's acknowledgment that the equipment is in working condition at that time. The Commission agrees to provide Lessor reasonable access to the equipment.

(14) FORCE MAJEURE/INFRINGEMENT. Any failure of performance by either party due to causes beyond reasonable control, including but not limited to acts of civil or military authority or Acts of God will not be deemed to be a default by either party.

(15) MERGER/MODIFICATION/SEVERABILITY. This Agreement expresses the entire agreement between the parties with respect to the subject matter of this Agreement. No change, modification or alteration of the terms hereof will be effective against either party unless it is in writing and signed by a duly authorized officer of both parties. If any provision or any part of any provision of this Agreement or the application thereof is hereafter held invalid or unenforceable, the remainder of this Agreement shall not be affected thereby and to this end the provisions of this Agreement are declared severable.

(16) EXECUTIVE ORDER: The Lessor shall comply with all the provisions of Executive Order 07-13, issued by the Honorable Matt Blunt, Governor of Missouri, on the sixth (6th) day of March, 2007. This Executive Order, which promulgates the State of Missouri's position to not tolerate persons who contract with the state engaging in or supporting illegal activities of employing individuals who are not eligible to work in the United States, is incorporated herein by reference and made a part of this Agreement.

(A) By signing this Agreement, the Lessor hereby certifies that any employee of the Lessor assigned to perform services under the contract is eligible and authorized to work in the United States in compliance with federal law.

(B) In the event the Lessor fails to comply with the provisions of the Executive Order 07-13, or in the event the Commission has reasonable cause to believe that the Lessor has knowingly employed individuals who are not eligible to work in the United States in violation of federal law, the Commission reserves the right to impose such contract sanctions as it may determine to be appropriate, including but not limited to contract cancellation, termination or suspension in whole or in part or both.

(17) INCORPORATION OF PROVISIONS: The Lessor shall include the provisions of paragraph 16 of this Agreement in every subcontract. The Lessor shall take such action

with respect to any subcontract as the Commission may direct as a means of enforcing such provisions, including sanctions for noncompliance.

(18) VENUE: It is agreed by the parties that any action at law, suit in equity, or other judicial proceeding to enforce or construe this Agreement, or regarding its alleged breach, shall be instituted only in the Circuit Court of Cole County, Missouri.
