After the response deadline, MoDOT will tabulate all information provided to establish a price agreement list and will contact vendors when and if services are needed during the 2014-2015 winter season.

MoDOT's St. Louis District is soliciting bid pricing for the following types of equipment with operators:

- Item #1 (pricing page 3): Motorgraders

Tire chains (contractor provided) and/or 4-wheel drive may be required for mobility so equipment will be effective when maneuvering or when pushing snow.

SPECIAL TERMS AND CONDITIONS

FUEL: Fuel may be furnished by MoDOT for equipment engaged in snow removal operations. Equipment shall arrive at each assignment fully fueled, and MoDOT will provide fuel as required for operations, such that each piece of equipment leaves their assignment fully fueled. BLADES: Carbide steel cutting edges for snow removal operations may be supplied by MoDOT for motorgraders. If provided, these will be contractor installed at no additional cost. Any blades supplied by MoDOT must be contractor un-installed and returned to MoDOT at no additional cost when work is completed. Refer to Attachment One (page 9) for details on the carbide blades which may be provided.

After award, the Contractor must provide a copy of his/her Certificate of Insurance showing coverage, in the amounts required above. MoDOT reserves the right, at its sole discretion, to determine the date by which this documentation must be provided. The Contractor's inability to provide this documentation may result in his/her bid being rejected.

MoDOT shall be listed as a "Certificate Holder" on the Certificate of Insurance with the following address:
Missouri Department of Transportation
St. Louis District
1590 WoodLake Dr.
Chesterfield, MO. 63017-5712
