

SINGLE FEASIBLE SOURCE PURCHASE POSTING NOTICE

The Missouri Department of Transportation has determined that only one source can provide the products or services described below.

Title: 7-SL141220 Super Slab® Pre-Cast Panels

Description: The Missouri Department of Transportation, St. Louis has determined that there is only one known local manufacturer approved installer: McCann Concrete Products to install the Super-Slab® product as an alternative pavement repair option on Rte. 370 @ Rte 141 in St. Louis County. This project is for a six month evaluation period to research the effectiveness of precast concrete pavement slabs in concrete repair. Super Slab® panels are slabs on grade system used for highway, exit ramps and airport pavement replacement. The panels are cast to exacting tolerances and placed on pre-graded, sub-base surfaces that have similar exacting tolerances as the slabs. Super Slab® is a propriety product manufactured by The Fort Miller Company of Schuylerville, N.Y., and may only be installed by their approved installers. A representative from the manufacturer will be present to oversee the installation. Estimated amount of this project is \$45,000.00.
