SINGLE FEASIBLE SOURCE PURCHASE POSTING NOTICE

The Missouri Department of Transportation has determined that only one source can provide the products or services described below.

Title: 7-SL160803 RWIS Site Pavement Forecast and Conditions

Description: The Missouri Department of Transportation, St. Louis District has determined that Telvent DTN, LLC d.b.a. Schneider Electric is the only company able to incorporate MoDOT's RWIS sites into a pavement forecast to give real time and forecasted pavement temperatures and conditions along with customized user locations. In addition DTN provides MDSS (Maintenance Decision Support System) for winter operations guiding users with a forecasted best time to plow and apply chemical to road surfaces.

The annual cost of this on-line service which provides information to five users is \$7812.00.
