Holden Industries, Inc. Limited Warranty

HOLDEN INDUSTRIES, INC. hereinafter referred to as "Manufacturer", warrants all equipment manufactured and sold by it to be free from defects in material and workmanship under normal use and service for a period of one (1) year after date of delivery to the original purchaser.

If any part of the equipment manufactured and sold by Manufacturer proves to be defective in material or workmanship during the warranty period notify Holden Industries, Inc. by phone 800-488-4487, fax 417-762-3464, U.S. mail, 5624 S. State Highway 43, Southwest City, MO 64863 or e-mail at: rbrooks@holdentrailers.com.

It shall be the Manufacturer's option to repair or replace defective item at no charge to the original purchaser. This warranty covers parts and the necessary labor involved in the repair or replacement of defective items. Warranty work is to be done at Manufacturer's designated location again at no charge to the original purchaser. This may include the transporting of trailer to and from local service dealer shop facility, assuming the trailer is road worthy.

The company assumes no liability for consequential damages of any kind and the purchaser by his acceptance of this equipment will assume all liability for the consequences of its use or misuse by the purchaser, employees or others. This warranty shall not apply to any pieces of equipment or part thereof sold by this company which has been subject to any accident caused in transit, alterations by unauthorized service, negligence, abuse, or damage by flood, fire or act of God. A defect in the meaning of this warranty in any part of said equipment should not, when such part is capable of being removed, repaired, or replaced, operate to condemn such equipment.

This warranty shall constitute the entire warranty and/or agreement between Manufacturer and the original purchaser, and is expressly in lieu of all other warranties, expressed or implied, either oral or written, including the warranty of merchantability and fitness for a particular use and of all other obligations or liabilities on the part of Manufacturer. The term "original purchaser" as used in this warranty, shall be deemed to mean that person, partnership or corporation to whom the product is originally sold by Manufacturer or one of its authorized dealers.

HOLDEN INDUSTRIES, INC. reserves the right to make changes in design and changes or improvements upon its equipment without notice or without imposing obligation upon itself to install the same upon its products theretofore manufactured.

The effective date of this warranty is April 20, 2011 and shall remain in effect on all units manufactured until further notice.

Our Goal at Holden Industries is ... To build a trailer you can be proud of for many years to come.

Our Manufacturing Policy is ... To provide the best trailer money can buy for your dollars invested.

*"Don't be Confused by Look Alikes
— Buy the Best."*

*"Custom Trailers — Tailored to Your Needs"
Since 1969*

Holden Industries incorporated in Missouri in 1969, separating from its parent company which dated to the early 1950's. Holden Industries presently builds both commercial and government trailers at two factories in Southwest Missouri. The commercial line includes over 40 standard models plus many custom-designed units. Government models have fulfilled needs of all branches of U.S. Military, as well as NASA, TVA and other domestic and foreign government and quasi-government concerns.

The company assumes no liability for consequential damages of any kind and the purchaser by his acceptance of this equipment will assume all liability for the consequences of its use or misuse by the purchaser, employees or others. This warranty shall not apply to any pieces of equipment or part thereof sold by this company which has been subject to any accident caused in transit, alterations by unauthorized service, negligence, abuse, or damage by flood, fire or act of God. A defect in the meaning of this warranty in any part of said equipment should not, when such part is capable of being removed, repaired, or replaced, operate to condemn such equipment.

This warranty shall constitute the entire warranty and/or agreement between Manufacturer and the original purchaser, and is expressly in lieu of all other warranties, expressed or implied, either oral or written, including the warranty of merchantability and fitness for a particular use and of all other obligations or liabilities on the part of Manufacturer. The term "original purchaser" as used in this warranty, shall be deemed to mean that person, partnership or corporation to whom the product is originally sold by Manufacturer or one of its authorized dealers.

HOLDEN INDUSTRIES, INC. reserves the right to make changes in design and changes or improvements upon its equipment without notice or without imposing obligation upon itself to install the same upon its products theretofore manufactured.

The effective date of this warranty is April 20, 2011 and shall remain in effect on all units manufactured until further notice.

Our Goal at Holden Industries is ... To build a trailer you can be proud of for many years to come.

Our Manufacturing Policy is ... To provide the best trailer money can buy for your dollars invested.

*"Don't be Confused by Look Alikes
— Buy the Best."*

*"Custom Trailers — Tailored to Your Needs"
Since 1969*

Holden Industries incorporated in Missouri in 1969, separating from its parent company which dated to the early 1950's. Holden Industries presently builds both commercial and government trailers at two factories in Southwest Missouri. The commercial line includes over 40 standard models plus many custom-designed units. Government models have fulfilled needs of all branches of U.S. Military, as well as NASA, TVA and other domestic and foreign government and quasi-government concerns.

Holden Industries, Inc. Limited Warranty

HOLDEN INDUSTRIES, INC. hereinafter referred to as "Manufacturer", warrants all equipment manufactured and sold by it to be free from defects in material and workmanship under normal use and service for a period of one (1) year after date of delivery to the original purchaser.

If any part of the equipment manufactured and sold by Manufacturer proves to be defective in material or workmanship during the warranty period notify Holden Industries, Inc. by phone 800-488-4487, fax 417-762-3464, U.S. mail, 5624 S. State Highway 43, Southwest City, MO 64863 or e-mail at: rbrooks@holdentrailers.com.

It shall be the Manufacturer's option to repair or replace defective item at no charge to the original purchaser. This warranty covers parts and the necessary labor involved in the repair or replacement of defective items. Warranty work is to be done at Manufacturer's designated location again at no charge to the original purchaser. This may include the transporting of trailer to and from local service dealer shop facility, assuming the trailer is road worthy.

The company assumes no liability for consequential damages of any kind and the purchaser by his acceptance of this equipment will assume all liability for the consequences of its use or misuse by the purchaser, employees or others. This warranty shall not apply to any pieces of equipment or part thereof sold by this company which has been subject to any accident caused in transit, alterations by unauthorized service, negligence, abuse, or damage by flood, fire or act of God. A defect in the meaning of this warranty in any part of said equipment should not, when such part is capable of being removed, repaired, or replaced, operate to condemn such equipment.

Holden Industries, Inc. Limited Warranty

HOLDEN INDUSTRIES, INC. hereinafter referred to as "Manufacturer", warrants all equipment manufactured and sold by it to be free from defects in material and workmanship under normal use and service for a period of one (1) year after date of delivery to the original purchaser.

If any part of the equipment manufactured and sold by Manufacturer proves to be defective in material or workmanship during the warranty period notify Holden Industries, Inc. by phone 800-488-4487, fax 417-762-3464, U.S. mail, 5624 S. State Highway 43, Southwest City, MO 64863 or e-mail at: rbrooks@holdentrailers.com.

It shall be the Manufacturer's option to repair or replace defective item at no charge to the original purchaser. This warranty covers parts and the necessary labor involved in the repair or replacement of defective items. Warranty work is to be done at Manufacturer's designated location again at no charge to the original purchaser. This may include the transporting of trailer to and from local service dealer shop facility, assuming the trailer is road worthy.

The company assumes no liability for consequential damages of any kind and the purchaser by his acceptance of this equipment will assume all liability for the consequences of its use or misuse by the purchaser, employees or others. This warranty shall not apply to any pieces of equipment or part thereof sold by this company which has been subject to any accident caused in transit, alterations by unauthorized service, negligence, abuse, or damage by flood, fire or act of God. A defect in the meaning of this warranty in any part of said equipment should not, when such part is capable of being removed, repaired, or replaced, operate to condemn such equipment.

This warranty shall constitute the entire warranty and/or agreement between Manufacturer and the original purchaser, and is expressly in lieu of all other warranties, expressed or implied, either oral or written, including the warranty of merchantability and fitness for a particular use and of all other obligations or liabilities on the part of Manufacturer. The term "original purchaser" as used in this warranty, shall be deemed to mean that person, partnership or corporation to whom the product is originally sold by Manufacturer or one of its authorized dealers.

HOLDEN INDUSTRIES, INC. reserves the right to make changes in design and changes or improvements upon its equipment without notice or without imposing obligation upon itself to install the same upon its products theretofore manufactured.

The effective date of this warranty is April 20, 2011 and shall remain in effect on all units manufactured until further notice.

2.5.6 Training:

Safety and operator's training can and will be provided in accordance to each delivery destinations' individual requirements. Any training will be done using operators manual/CD.

2.6 Equipment Trade-In Allowance:

HOLDEN is open to offer trade-ins to MoDot and any other Missouri governmental agencies and will review each trailer on an individual basis. HOLDEN expects to be able to offer advantageous trade-in offers for MoDot and other Missouri governmental entities due to HOLDEN's extensive dealer presence in Missouri in addition to our two manufacturing facilities and corporate presence in Missouri.

2.7 Equipment Refurbishments:

HOLDEN can provide trailer refurbishments. HOLDEN has extensive experience refurbishing trailers to like-new condition for both civilian and governmental agencies.
