SINGLE FEASIBLE SOURCE PURCHASE POSTING NOTICE

The Missouri Department of Transportation has determined that only one source can provide the products or services described below

Title: 7-SL160615 – Technical Support and Training of ACDSS

Description: The Missouri Department of Transportation, St. Louis District, has determined that only KLD Engineering, P.C. can provide specialized technical support, expertise, and additional training for the ACDSS, Adaptive Signal Control Software. ACDSS is a unique software program developed by KLD Engineering, P.C. In order to maximize the benefit of the state investment of the adaptive system for the West County segment of Lindbergh Blvd., continued technical support and engineering staff training is needed. A period of time for technical corrections and staff familiarity is needed to properly access and maximize the system for the traveling public. Only the software developer would adequately be able to perform this task. Total estimated cost of this purchase is \$20,375.00.

Issues with this purchase may be directed to Stephanie Austin Rashid, General Services Specialist at 314-301-1439 or Stephanie.AustinRashid@modot.mo.gov, until June 14, 2016.
