## SINGLE FEASIBLE SOURCE PURCHASE POSTING NOTICE

**The Missouri Department of Transportation has determined that only one source can provide the products or services described below.**

**Title:** 7-SL14111204 Ultra Guard™ Continuous Marking Delineation System

**Description:** The Missouri Department of Transportation, St. Louis has determined that there is only one known approved installer of the Ultra Guard™ continuous marking delineation system that is applied directly on to guardrails and barriers providing a continuous retro-reflective guide to changes in road direction or narrow shoulders. The Ultraguard™ process is patent pending, based on the unique combination of specific paint and glass beads formulated for vertical surfaces and installation technique designed to produce vertical markings. Previous test strips indicated a positive result especially during rainfall. ATK Safety Supply, Inc., of Cedar Hill, MO. Is the approved installer by Potter Industries producer of the Ultra Guard System™ Estimated amount of this project is \$92,593.00
