

DESCRIPTION

The project will include replacing the Route PP bridge over Cane Creek with a new, wider bridge.

TIMELINE

A contract for the improvements is expected to be awarded to a contractor in December 2011. Work is anticipated to begin in early spring 2012, with completion in late summer 2012.

TRAFFIC IMPACTS

As work to replace the bridge is underway, the roadway will remain closed. By closing the road, MoDOT is able to save money for other needed improvements. If MoDOT constructed a temporary bridge to keep the road open, it would add approximately \$250,000 to the cost of the project.

FOR MORE INFORMATION

For more information, please contact Project Manager Eric Krapf at (573) 472-5261, Transportation Project Designer David Blalock at (573) 472-5295 or MoDOT's Customer Service Center toll-free at 1-888-ASK MODOT (275-6636).
