

ROUTE H LAUREN CREEK

The Route H bridge over Lauren Creek in Perry County will be replaced. A contract for the project is expected to be let in winter 2012. As work is underway, the bridge will remain closed. Construction is expected to begin in spring 2013, with completion anticipated in fall 2013. For more information, please contact Project Manager Tim Richmond at 573.472.5290 or Transportation Project Designer Jeff Wachter at 573.472.5294.

ROUTE Y BRAZEAU CREEK

The project will include replacing the deck of the Route Y bridge over Brazeau Creek in Perry County. A contract for the project is expected to be let in winter 2012. As work is underway, the bridge will remain closed. Construction is expected to begin in spring 2013, with completion anticipated in fall 2013. For more information, please contact Project Manager Tim Richmond at 573.472.5290 or Transportation Project Designer Jeff Wachter at 573.472.5294.
