

ROUTE TT PORTAGE BAY

The deck of the Route TT bridge will be replaced. The new bridge will feature a lower rail height to better accommodate agricultural traffic. A contract for the project is expected to be awarded in December 2011. As work is underway, the bridge will remain closed. Construction is expected to begin in early spring 2012, with completion anticipated in mid-summer 2012. For more information, please contact Project Manager Eric Krapf at 573.472.5261 or Transportation Project Designer David Blalock at 573.472.5295.

ROUTE ZZ DRAINAGE DITCH 53

Improvements will include replacing the existing bridge with a box culvert. A contract for the project is expected to be awarded in February 2012. As work is underway, the bridge will remain closed. Construction is expected to begin in early spring 2012, with completion anticipated in mid-summer 2012. For more information, please contact Project Manager Eric Krapf at 573.472.5261 or Transportation Project Designer David Blalock at 573.472.5295.
