

IMPROVE I-70

PROJECT 2 OVERVIEW: WARRENTON TO WENTZVILLE

Project 2 Details:
modot.org/improvel70/warrentonwentzville

Interchange & Outer Road Improvements in Wright City
\$40 million in additional GR funds have been allocated for interchange and outer road improvements in Warren County. Design plans and details will be available after project award.

I-70 Widening

Add a third lane of travel to eastbound and westbound I-70 between Warrenton and Wentzville.

Wentzville Parkway Realignment*

Realignment at the railroad bridge on I-70 between Wentzville Parkway and Route Z.

* The third lane of I-70 in each direction from Warrenton to Wentzville is being funded through General Revenue (GR) funds. \$40 million in additional GR funds have been allocated for interchange and outer road improvements in Warren County. The project will also include the realignment at the railroad bridge between Wentzville Parkway and Route Z, improvements at the I-70/I-64 interchange and adding the third lane on I-64 from I-70 to Route K, which are funded through previously programmed MoDOT STIP projects. Additionally, MoDOT STIP funds and \$4 million in Economic Development Cost Share funds have been secured for bridge replacement work in Foristell.

Bridge Replacement in Foristell*

\$4 million in Economic Development Cost Share funds have been secured for bridge replacement work in Foristell. Design plans and details will be available after project award.

I-64 & I-70 Interchange Improvements*

Interchange improvements at I-70 and I-64/Route 61.

I-64 Widening*

Add a third lane of travel to eastbound and westbound I-64 between I-70 and Route K.
