## IMPORTANT INFORMATION & FREQUENTLY ASKED QUESTIONS

### WHEN DO I NEED APPORTIONED PLATES (IRP)?

You must have apportioned plates if you operate in two or more jurisdictions and/or if your vehicle(s) meets one or more of the following requirements:

- the power unit licensing weight is in excess of 26,000 lbs.;
- the power unit has three or more axles, regardless of licensed weight;
- the power unit is used in combination and the said combination exceeds 26,000 lbs.; or
- the power unit performs **intrastate** movements in a jurisdiction other than Missouri, regardless of licensed weight.

### WHEN DO I NEED TO REGISTER WITH THE MISSOURI SECRETARY OF STATE?

Any person(s) wishing to form or conduct business in Missouri as a corporation (including, among others, for profit, non-profit and professional corporations), limited liability company, limited partnership, limited liability partnership, limited liability limited partnership, or under a fictitious name must first apply to the Office of the Missouri Secretary of State for authority to do so.

### WHY DO I NEED A USDOT NUMBER AND WHEN DO I REGISTER WITH THE FEDERAL MOTOR CARRIER SAFETY ADMINISTRATION?

Missouri is a member of the Performance Registration and Information Systems Management (PRISM) program that is a federal/state partnership to improve motor carrier safety by making safe performance a requirement for obtaining and keeping commercial vehicle license plates. The USDOT number is used to identify the motor carrier responsible for safety. Unfit carriers may be denied the ability to register their vehicles.

Under PRISM, the USDOT number of the motor carrier is responsible for the safety of every vehicle registered and must be identified during the registration process.

For each power unit, you must report the USDOT number of the motor carrier responsible for the safe operation of the vehicle for the registration year. The motor carrier responsible for safety is the entity that the FMCSA ultimately holds accountable for things like hours-of-service, compliance, drug and alcohol testing and vehicle maintenance. In order to accurately identify responsibility for each vehicle, the USDOT number must be captured at the time of registration.

If you are a registrant leased to a motor carrier, you are required to update your motor carrier responsible for safety when you lease to a new authority. If you are renting or leasing vehicles in your fleet to an interstate motor carrier you are running under someone else's authority that will be responsible for the safe operation of the vehicle.

*Short Term Lease - the vehicle will be rented or leased for 30 days or less to an interstate motor carrier.*

*Long Term Lease - the vehicle will be leased for more than 30 days to an interstate motor carrier, enter the USDOT number of the motor carrier responsible for safety of the vehicle.*

The application requests the USDOT number assigned to the power unit and if the safety responsibility of the vehicle will change during the registration year.

The FMCSA requires a biennial update of all USDOT numbers. You can verify or apply for a USDOT number at [www.safer.fmcsa.dot.gov](http://www.safer.fmcsa.dot.gov).

### WHAT IS AN ACCEPTABLE PROOF OF OWNERSHIP?

We will accept a copy of the issued title or a copy of a validated titling receipt (DOR-108) showing the title has been applied for at the motor vehicle fee office. In no case will we accept a title that has been signed over on the back. When applying for a title under a name other than your individual name, the application for the title must match the name on file with the Missouri Secretary of State and FMCSA.

### WHEN DO I NEED TO PAY HEAVY HIGHWAY VEHICLE USE TAX (IRS-FORM 2290)?

Any time you license a power unit at 55,000 lbs. or higher.

### WHEN DO I NEED TO SUPPLY A COPY OF A LEASE AGREEMENT?

Any time the vehicle is involved in a lease you must submit a lease agreement that identifies the unit(s) involved by year, make and vehicle identification number (VIN), and must include signatures of all parties.

### WHAT IS CONSIDERED A "CURRENT YEAR" COUNTY PERSONAL PROPERTY TAX RECEIPT OR TAX WAIVER FOR MISSOURI?

A current year tax receipt is one year prior to the current license year (i.e. 2015 license year requires a 2014 personal property tax receipt and/or tax waiver if application is made **before January 1, 2015**. After January 1, 2015 you must submit a 2014 receipt.)

### WHOSE MISSOURI COUNTY PERSONAL PROPERTY TAX RECEIPT IS REQUIRED?

Generally it will be in the name of the registrant/motor carrier who is applying for the license plates. However, in some cases when the unit is leased, and the owner is a Missouri resident, the tax receipt will be under the owner's name and a copy of the owner's Missouri county personal property tax receipt must be submitted.

**HOW LONG IS AN APPORTIONED PLATE GOOD?**

IRP requires annual renewal. The registration expiration date is shown on the cab card. There are no grace periods. All vehicles you add to your account will have the same expiration date. You will receive a reminder postcard approximately 3 to 4 months in advance of the expiration.

**WHAT FORMS OF PAYMENT ARE ACCEPTABLE FOR AN APPORTIONED PLATE?**

1. Acceptable forms of payment by mail and walk-in:
  - Cash, Personal or Company Check, Cashier's Check, Money Order, and Bank-to-Bank Transfer.
2. Acceptable forms of payment online:
  - American Express, Visa, MasterCard, Discover, E-Check, and Debit Card.

**WHEN DO I NEED AN INTERNATIONAL FUEL TAX LICENSE AND DECAL (IFTA)?**

You must have an IFTA license if you operate in two or more jurisdictions and/or if your vehicle(s) meet one or more of the following:

- the power unit has two axles and a gross vehicle weight or registered gross vehicle weight exceeding 26,000 lbs.;
- the power unit has three or more axles regardless of weight; or
- the power unit is used in combination and the said combination exceeds 26,000 lbs.

**HOW LONG IS AN IFTA LICENSE AND DECALS GOOD?**

Missouri's IFTA license and decals are valid for a calendar year. January 1 - December 31.

**HOW MUCH DOES AN IFTA LICENSE AND DECALS COST?**

1. Complete the IFTA Decal Request section on the IRP/IFTA Registration Form when applying for apportioned plates.
