

Project Purpose and Need:

The objective of this project is to relieve traffic congestion between Farm Road 103 and James River Freeway; thus, enhancing safety and reducing crashes while also improving traffic operations along this segment of roadway.

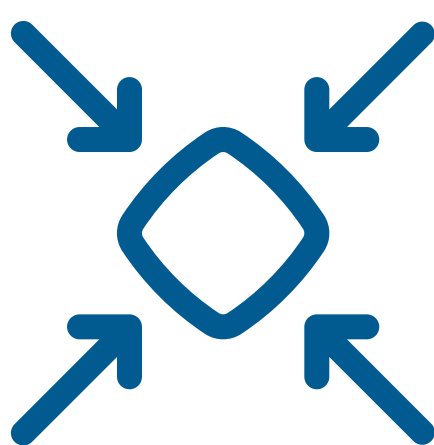

Project Overview:

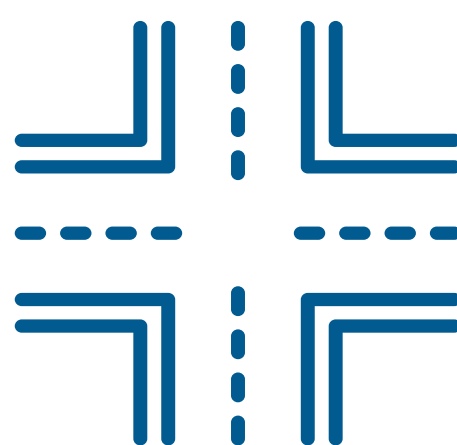

Widen US 60 to 6 lanes between Farm Road 103 and MO 360

Add new signal at Farm Road 107

Access management and driveway consolidation

Intersection modifications at Farm Road 164

Traffic control and access to adjacent properties

Improve overall corridor performance, safety and reliability
