

## [Adding Hazardous Materials – Online Procedures](#)

Carriers with Intrastate Operating Authority may request to add hazardous materials to their authority.

Additional hazardous materials can be requested by filling out an MO-1 form located on the MO Operating Authority tab of our website, [www.mcs.modot.mo.gov/mcs](http://www.mcs.modot.mo.gov/mcs), or online through MoDOT Carrier Express.

To request additional hazardous materials online follow the procedures below:

1. Access MoDOT Carrier Express (MCE) by clicking on the following button from the MCS homepage: ([www.mcs.modot.mo.gov/mcs](http://www.mcs.modot.mo.gov/mcs)).

2. Enter the Username and Password provided to you by MoDOT Motor Carrier Services
  - If you don't remember your password you can reset it from the log-in screen by clicking on the "forgotten password" button. In order to reset your password you must know your User ID and have your IRP Number, last 4-digits of your Tax ID Number, or your MCS Customer ID.  
*Note: Only one username and password is created per company, so make sure no other company official has the correct username and password before resetting it.*
  - If you don't have a user id or password, visit [www.modot.org/mcs/MotorCarrierExpress.htm](http://www.modot.org/mcs/MotorCarrierExpress.htm) to request one.
3. Your Account Name, Customer ID, and USDOT Number will show at the top of the page:

<b>Account Name:</b> QUALITY CARRIERS INC <b>Customer ID:</b> 3606 <b>USDOT Number:</b> 76600
--

4. Click on Begin an INTRASTATE AUTHORITY activity:
