IMPORTANT

This sample tariff was developed using existing tariffs that comply with the requirements of Missouri laws. It is intended to help you develop your own tariff that meets those requirements.

The sample is not intended for you to use exactly as written. Some information in the sample may not apply to the service that you will provide. It is your responsibility to review all items within the sample tariff and to develop a tariff that is specific to your operations.

Generally, tariffs for passenger carrier operations must show all rates and charges for the transportation you provide.
