## First Half of Route 364 Opens for Bikers, Walkers

Route 364/Page Phase 3 is open to traffic between Interstate 64 and Route K. Before cars were allowed on the road, the public was invited out to walk, run and bike the new stretch. A ribbon cutting ceremony was also held to commemorate the opening of the road. Below are some pictures from the October 4 event. To see more, go to [www.modot.org/route364](http://www.modot.org/route364).

St. Charles County Executive Steve Ehlmann speaks at the ribbon cutting ceremony.

St. Charles County Executive Steve Ehlmann and O'Fallon Mayor Bill Hennessey cut the ribbon on the section of the new Route 364/Page Phase 3 from I-64 to Route K.

A little girl leaves her mark with chalk on the new road.

Bicyclists of all ages enjoy a ride on the new Route 364/Page Phase 3.

## Second Half of Route 364 Opening to Traffic Soon

The second half of the new Route 364/Page Phase 3 from Route K to Route 94/Mid Rivers Mall Drive will be open to traffic the weekend of October 31.

Once the mainline lanes open, crews will still need to complete work at the connection of Route 364/Page Phase 3 and existing stretch of Route 364/Route 94. That means there will be some ramps in that area that will not open the weekend of October 31. One of those ramps will be the ramp from eastbound Route 364 to westbound Route 94 and Mid Rivers Mall Drive. Go to [www.modot.org/route364](http://www.modot.org/route364) to find updated information on the restrictions as it becomes available.
