

MoDOT Central Office STIP Development

Doug Hood, MoDOT Planning & Programming Coordinator

Doug.Hood@modot.mo.gov

Statewide Planning Partner Meeting

February 8, 2018

What is the STIP?

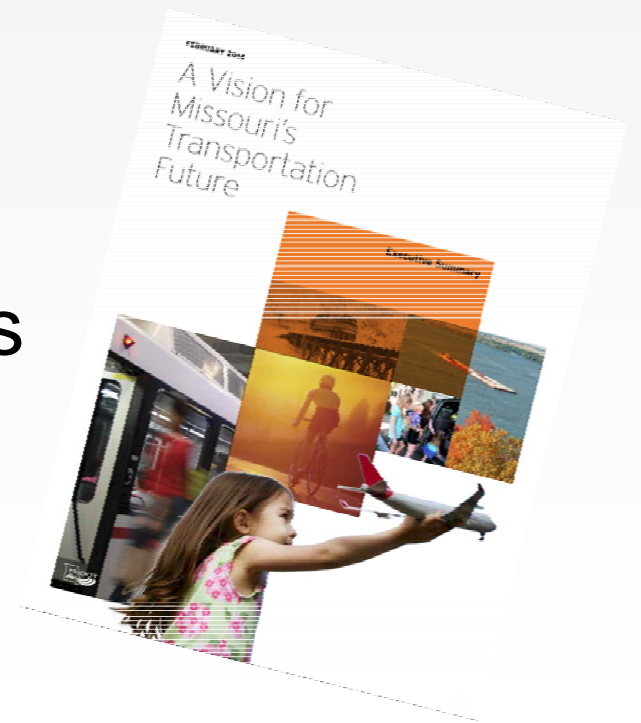

- Federal and state required document
- Includes projects for all modes of transportation
- Defines studies, right of way and construction to be undertaken in the next 5 years
- MoDOT's commitment for specific construction projects to be delivered in the next 5 years

STIP Goals

- Take care of the transportation system and services we enjoy today
- Keep all travelers safe, no matter the mode of transportation
- Invest in projects that spur economic growth and create jobs
- Give Missourians better transportation choices

What is Central Office Role?

- Quality Control
 - Review individual project data – is it complete, is it accurate?
 - Review overall program – does it meet programming guidance, does it meet asset management goals, are we fiscally constrained?

What is Central Office Role?

- Coordinate Development of STIP Document
 - District Outcomes Video Conference
 - Districts provide overall outcome of their projects/program
 - Management Review Meeting
 - Report to management overall results of draft STIP
- Update STIP Sections
 - Coordinate updates of other STIP sections with various divisions

What is Central Office Role?
