Re: FHWA Approval of "Transportation Project Only" Amendment to the Missouri FY 2010-2014 State Transportation Improvement Program (STIP) to incorporate the Columbia Metropolitan Area Modification of the FY 2010-2013 Transportation Improvement Program (TIP)

Dear Mr. Rahn:

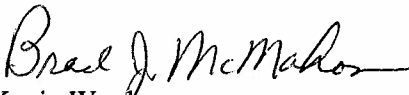

The Federal Highway Administration (FHWA) has reviewed the Missouri Department of Transportation's (MoDOT) request to incorporate the Columbia Area Transportation Organization (CATSO) modification of their FY 2010-2013 Transportation Improvement Program (TIP), as further described in your letter of December 7, 2009, as an amendment to the FY 2010-2014 Missouri Statewide Transportation Improvement Program (STIP). The modification to be amended into the STIP involves the addition of four new MoDOT highway projects. All four of the thin lift resurfacing projects will be financed with American Recovery and Reinvestment Act of 2009 (Recovery Act) funding. None of the new projects are located within an economically distressed area (EDA).

The CATSO Coordinating Committee approved the TIP amendments on November 13, 2009. The Missouri Governor approved the CATSO amendments on December 4, 2009.

In accordance with 23 CFR 450.218(b), we have determined that this STIP amendment is based on a transportation planning process that substantially meets the requirements of 23 U.S.C 134 and 135, 49 U.S.C. 5303 and 5304 and 23 CFR 450 Subparts A, B, and C. Based on our review, this STIP amendment request is approved.

If you have any questions, please contact Mr. Brad McMahon at FHWA (573) 638-2609.

Sincerely,

for Kevin Ward

Dear Mr. Ward:

SUBJECT: Columbia Metropolitan Area
FY 2010-2013 Transportation Improvement Program
Columbia Area Transportation Study Organization (CATSO)
Approval to Incorporate TIP Amendment #1 into FY 2010-2014 STIP

As required by the 2005 Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU) for the 21st Century, MoDOT received approval from Governor Nixon for a TIP amendment for the Columbia metropolitan area which includes four (4) new MoDOT sponsored projects.

Enclosed is a copy of the Governor's approval letter and supporting documentation. The Columbia Area Transportation Study Organization Board of Directors approved the TIP amendment on November 13, 2009. All public involvement considerations were met and fiscal constraint has been ensured.

We request approval of incorporating this TIP amendment into the FY 2010-2014 State Transportation Improvement Program (STIP) at your earliest convenience.

Sincerely,

Eric J. Curtit
Long-Range Transportation Planning Coordinator
